

Mudgee High School Uniforms 2016

UNIFORM POLICY

After extensive consultation with the Mudgee High School Council, the P & C Association, students and staff, it has been established that the Mudgee High School community believes that school uniform is a desirable feature of our school for the following reasons:

- **Safety of students** - intruders into the school grounds can be easily identified if all students wear the required school uniform. Given the recent experiences here and overseas this is vital. On excursions students in uniform are easily identifiable and more effectively and safely supervised.
- **Learning social responsibility** - students need to learn that sometimes the welfare of the whole society over-rides the individual beliefs of some of its members e.g. road rules.
- **To promote a positive image to our community** - which will in turn benefit our students e.g. offers of support for work experience placement, sponsorship, employment.
- **Training for the workplace** - where uniform and acceptable dress is commonplace.
- **To prevent competition** - in clothing between students and provide a low cost clothing option.

The Mudgee High School community has therefore determined that this school is a uniform school. Students are required to wear full school uniform every day and to bring to school a written explanation from their parent/carer on each occasion they are out of uniform.
