PRINCIPAL'S MESSAGE

Education Week

There will be no hiding the light beneath a bushel in this week's newsletter.

Grease was great.

If you managed to get to it – and it was a full house each of the three nights it was performed, so there wouldn't be too many who did not – then you will understand the pride it has engendered here at Mudgee High, both firsthand and vicarious.

It was also an excellent flagship event to kick off Education Week in Mudgee; young, talented and enthusiastic students coming together with talented and dedicated staff to put together what was a great deal of fun.

Education Week is the NSW Department of Education's dedicated five days of celebrating all of the good things that happen in government schools. The week recognises what is easily the greatest investment we can make toward creating a better future; the education of young people.

Since the then colonial government's visionary passing of The Public Instruction Act of 1880, public schools in NSW have been turning out thousands and thousands of socially well-functioning, academically well-equipped young men and women who have contributed to making this nation great. Those colonials understood the importance of education. They understood that community prosperity is predicated on educational strength if it is to be sustained. In the 21st Century, New South Wales' and indeed Australia's continued function as a community in which racial, religious and ethnic differences are more than just tolerated but accepted depends on an educational system not partisan to any one cultural type; the public school system

So, welcome to Education Week 2017!

Be aware that the Cudgegong Learning Community Art Show kicks off at 6.30pm on Tuesday 1 August, concluding at 3pm on Friday 4 August. The show features work from all of the CLC schools, not least Mudgee High. Yet another demonstration of the great things public schools achieve.

Until next week...

Wayne Eade
Principal

SMILES ONSITE – CHILD DENTAL BENEFITS SCHEDULE

Mudgee High School is collaborating with Smiles Onsite to promote healthier, happier smiles at our school! This incredible service is being offered for FREE under the federal government's Child Dental Benefits Schedule (CDBS), and comes along with the chance to grab some amazing prizes.

All students will be given a consent form to take home so that they can participate, and also so that they can go in the draw to win prizes!!

How does it work?

The Child Dental Benefit Schedule grants all eligible parents with \$1000 Medicare benefit which can be used towards dental expenses per child, over a two year period. Eligible parents should receive a confirmation letter; however if you are still unsure, Smiles Onsite can check for you on completion of their consent form.

Can I make use of this service if I'm not eligible?

Of course! Smiles Onsite can do almost everything that your local dentist can do on board their unique mobile Clinics. If you would like them to see your child for a scale and clean, fillings, fissure seals etc., these services can be offered with NO GAP payable.

This service is a great opportunity to get kids into the habit of good oral hygiene, and we hope you're as excited about it as we are!

You can fill out the dental consent form for your son or daughter by selecting this link –

<https://form.jotform.co/71589284146870>

If you have any further questions about this program or your eligibility, please contact Smiles Onsite directly on 1800 276 453.

Hi Parent/Carer

Your child's school Mudgee High School will play host to Smiles Onsite a mobile dental clinic later this year. Please find below a link that directs you to our company's online consent form. If you would like your child/children to participate in our free service please fill in the consent form and lodge it online. This form can be completed on a computer, laptop or smartphone. If you do not have access or have any troubles filling out the online form, you can pick up a physical copy from the school front office.

Smiles Onsite will be visiting Mudgee High School, Term 3, Week 9 and 10.

Thank you for taking the time to read this email and we hope to see your child/children at our clinic!

Yr 12 PDHPE

A group of Year 12 PDHPE students took time on Tuesday 25th July to attend the ACHPER HSC Enrichment Day Video Conference.

The day consisted of online interactive lectures with a number of schools across the state. Topics covered examination technique, cores and options that the students have studied.

The students worked well throughout the day and gained valuable preparation for their upcoming trial and HSC examinations.

Now in our 29th year The Rotary District 9670 RYPEN Committee is pleased to announce that nominations are now being accepted for the RYPEN camp to be held on the weekend of November 3rd, 4th & 5th 2017.

"Teenagers grow when they have opportunity to develop life skills".

Supporting the development of youth is a key focus of Rotary and here in District 9670, RYPEN, is one of our flagship youth programs delivered twice a year to around 70 students.

Which Students

- Full time students aged between 14 – 17,
- Young adults who show potential but need an opportunity to develop it further,
- This program is open to students across the entire district (transport provided to those students from the western region).

Students Outcomes

- Increased motivation,
- Improved life skills,
- Improved self-image and pride,
- An understanding of setting and achieving goals,
- Increased confidence to overcome problems and take control of their future.

RYPEN program and team

- An intensive program of workshops and activities
- Experienced team of Rotarians and past participant who deliver the program in a sharing and supportive environment.

Here's what some past participants have had to say...
