## PRINCIPAL'S MESSAGE

This week is School Administrative and Support (SAS) Staff Recognition week, a great opportunity for our learning community to acknowledge the often unsung heroes in our school. Our SAS staff play a significant role in our school, working in the front office, in classrooms and libraries and maintaining and caring for school grounds and buildings. They tend to our students who are unwell and ensure the efficient management of school financial and administration functions. In short our school would not run without this dedicated team of staff as they work tirelessly to support our students and teachers.

We are fortunate to have a wealth of experience amongst our support staff and we value each individual and would like to recognise the particular strengths and expertise in what they bring to Mudgee High School. I have had the pleasure of experiencing the dedication of these amazing staff as a classroom teacher and also as relieving Principal. While their roles are slightly different they approach their work with commitment and a desire to make a difference.

On behalf of staff, we are very appreciative of all the help we receive and we would like to wish this team a very Happy SAS Week.

Our Executive team in collaboration with staff have been working across the year gathering evidence and developing a report for an External Validation panel, which will convene later this month. The process occurs once during a five year cycle and an independent panel considers the school's evidence. This is not an inspection, it provides an opportunity for our team to discuss their judgements about our schools practices in the areas of learning, teaching and leading with a panel of peers. It has been a valuable reflection so far and through many discussions has brought fresh insights and learning in regards to the implementation of our school plan, our existing strengths and areas for further development.

One of the priorities in our plan is to strengthen student engagement and maintain our culture of high expectations. Research informs us that high expectations needs to start early and be maintained throughout a child's education. All children bring varied experiences, knowledge and abilities to the classroom. Teachers respond to these interests and abilities with curriculum that supports learning for each student and creates opportunities for them to build their independence as learners. Parent and teacher expectations can dramatically affect children's progress as having high expectations is linked with higher performance and achievement. Teacher expectations such as encouraging students to work hard, challenging them to do their best work and completing their homework on time makes a positive difference to student outcomes.

The Department of Education has a suite of practical resources for parents to assist in supporting your child's learning, these can be accessed online at <http://www.schoolatoz.nsw.edu.au/>. The resources cover a range of areas from homework and study tips to using technology responsibly.

As year 10 are about to complete their subject selections, we have reprinted one of the articles on the following pages. This year we are trialling an online system for subject selection to streamline the process, these opened yesterday and need to be completed by next Wednesday. Mudgee High School supports a student driven timetable with an initial subject survey that is completed by students indicating preferences. This survey was used to create the subject lines using student driven data for a best fit.

Every effort has been made to offer as diverse a curriculum as possible to best meet the needs of all students intending to complete the HSC at Mudgee High School. Inevitably, there will be some selections clashes on lines and some students will need to accept their second choice. Please be aware, not every subject that appears on the selection lines will proceed to the final timetable. Subjects with a low number of student choices will not be able to be resourced.

## **WRITING FRIDAY**

# Year 10 subject selection

## At a glance:

- Year 10 students are asked to select subjects for the following two years.
- Students should choose subjects they are interested and engaged in.
- Some universities hold open days/nights to discuss Year 10 subject selection.
- Even if your child is unlikely to go to university, it is wise to include subjects which will keep their options open.
- Speak with the school's careers adviser about your child's strengths, plans and options.
- Find out if there are Year 10 subject selection events being held at a university near you.

In Year 10 students, are asked to select subjects for Years 11 and 12. Here are some tips to help your teen choose well.

Your first consideration, according to NSW Education Standard Authority (NESA) Liaison Officer Cheryl Russell, is to encourage your child to choose subjects that emphasise their strengths and interests.

"If you support your child to choose subjects they are good at, interested in and can see themselves using in the future, your child is not only more likely to do better in the HSC, but to achieve a higher university admissions ranking," Cheryl says.

Even if at this stage you don't think a university career is on the cards for your child, it's important for kids to give themselves as many future options as possible. Today's Year 10 students will quite possibly have several careers over their working lives, including job descriptions that may not even exist yet.

### Who can help?

Sue MacLean, senior coordinator career and transition support with the Department of Education, says the key people at school who can help your child make the right choice for their skills and interests are careers advisers, your child's Year Advisor and their current subject teachers.

"Careers advisers in each school help students to see the wider picture of career planning, and understand that this next stage is really a launching pad, not a 'live or die' moment," says Sue. "With this approach, parents' support, and having frank conversations with their teachers and year adviser/careers adviser, students are unlikely to throw in the towel, or just 'do what their mates are doing'."

Career advisers can also discuss different career pathways for your child – whether they hope to pursue an apprenticeship or traineeship, or want to go on to study at university, TAFE or other registered training providers.

## Subject selection at a glance

1 In terms of the actual subject selection process, your child will be asked to choose from a combination of required subjects and levels which meet unit requirements for both the HSC and the Australian Tertiary Admission Rank (ATAR).

2 Your child will be able to select a mix of subjects from the two types of courses – board developed and board endorsed. Both can count toward the HSC, but only board developed courses are considered by the UAC when calculating your child's ATAR.

1. An eligible subject selection for both the HSC and ATAR must include the required number of units of mandatory board developed courses (most are worth two units each) and the following combination in both Year 11 and 12:

- Two units of English
- Six units of board developed courses (with three courses of a minimum of two units each)

Courses chosen from across four subjects.

3. To achieve an HSC your child will need to complete at least 12 units in Year 11 and at least 10 units in Year 12.

4. The HSC is made up of two kinds of marks:

- school-based assessment – based on assessment of tasks and tests, and
- the examination mark – based on the HSC examination.

## What's an ATAR?

- ATAR – a number between 0 and 99.95 with increments of 0.05 – is calculated by the UAC and helps universities rank applicants for selection.
- Your child is ranked by overall academic achievement in the HSC in relation to that of other students.
- Your child's ranking is calculated on scaled marks from the courses mentioned in point 2, which includes their best two units of English and their best eight units from the remaining courses.
- Students receive their ATAR notice at the same time as they receive their HSC results from NESA (typically in December).

## Year 7 Geography Redbank Dam Fieldtrip

Year 7 Geography are currently studying the topic "Water Resources". As a part of this study each class was given the opportunity to visit Redbank Dam. During this fieldwork trip the students gathered information relating to when the dam was constructed, its purpose and why it was decommissioned.

The students also examined the topography of the area, as well as the flora and fauna that inhabit this National Park. The historical significance of this location to the Wiradjuri people was also investigated.

The students in attendance were extremely well behaved and engaged. They are to be congratulated on their display of safe, respectful and responsible behaviour.

## REMINDERS: WHAT DO I DO WHEN?

### **I wish to leave the class during lesson time.**

*This is allowed only in emergencies. Check with your teacher.*

*You must have a note if you are out of class.*

### **I was absent from school because I was sick.**

*You must bring a note explaining why you were away (on the day you return to school) and put it in the Absence box located in the student foyer at the Front Office. Absence booklets are available at the front counter for parents to take home and fill in when needed.*

*Absences can also be recorded on the Parent Portal.*

### **I know I will be absent for a family reason.**

*Bring a note to the office. The Principal must approve all absences longer than 3 days.*

*Overseas holidays require a form to be filled out at the Front Office.*

### **I am late for school.**

*After 9.10am report to the front office. Unless you bring a note you may be placed on detention. You must not go to class WITHOUT a late note.*

### **I want to leave school early or have an appointment during the day.**

*You must bring a note giving the reason for early departure and take it to the office before 9.00am. The note should indicate whether you will be returning and when.*

*Students are not permitted to leave school just to visit the shops. Students leaving school must be signed out.*

*(Printed leave booklets are available from the front office)*

### **I am feeling sick at school.**

*If a student is sick during the day he/she must obtain a note from their classroom teacher or from a teacher on duty during breaks and report to the Front Office. Students must not come to the Front Office without a note unless it is an emergency. Students must not make their own phone calls or texts to parents or carers unless directed by staff. Front Office staff will make all efforts to contact a parent or carer to collect a student if they need to go home. Accurate contact details are essential for this process to run smoothly.*

## School Uniform Policy

Parents of Year 12. I would like to you to help me remind your students of the school out of uniform policy. Three times out of uniform, without a note, in a two week period will get them placed on the uniform list. When you are on this list you are not allowed to go to optional excursions, or represent the school. Rainbow day is an optional excursion, as is the school social to farewell Year 12. As we only have four weeks this means that if you get on the list in the next two weeks you are not eligible to attend either of these two events.

What do you do about this:

1. Wear uniform everyday
2. If that is not possible get a note to explain yourself
3. Ask the school if you can borrow uniform - we have supplies that would enable you to do this.
4. See option 1

## **Year 12 career information.**

- UAC (University Admissions) 2019 course preference applications closing date is Friday September 28 though please finalise by Friday September 21 if possible. ### **RYPEN (Rotary Youth Program of Enrichment)**

**16th, 17th & 18th November 2018**

**Myuna Bay Sport & Recreation Centre**

**Applications Close November 9th 2018**

**Cost to Club - \$230 per student**

The Rotary District 9670 RYPEN Committee is pleased to announce that nominations are now being accepted for the RYPEN camp to be held on the weekend of November 16th, 17th & 18th 2018.

We can only accept 32 students (**16 girls and 16 boys**); you need to get in early to ensure your students get a spot in this great youth program; when talking to your schools/networks can you ask them to try to select one girl and one boy to even out the camp. This will help us for accommodation as we have 8 rooms that sleep 4 people this will give us even numbers for the accommodation.

It is the Parents responsibility to ensure their children are transported to and from the venue, and arrive **no later than 3.30pm on Friday 16th November 2018** for Registration ready for a 4pm start, but if needed, help should be Pre-arranged with the Rotary Club. It is not satisfactory for the student to miss any of the sessions; if they cannot attend all of the camp please select someone else.

#### **Which Students**

- ☐ Full time students aged between 14 – 17
- ☐ Young adults who show potential but need an opportunity to develop it further.
- ☐ This program is open to students across the entire district (transport provided to those students from the western region).

#### **Students Outcomes**

- ☐ Increased motivation
- ☐ Improved life skills.
- ☐ Improved self-image and pride
- ☐ An understanding of setting and achieving goals.
- ☐ Increase confidence to overcome problems and take control of their future.

#### **RYPEN program and team**

- ☐ An intensive program of workshops, sports and entertainment activities
- ☐ Experienced team of Rotarians and past participant who deliver the program in a sharing and supportive environment.

#### **Rotary Club's Outcome**

- ☐ Connects you with young people and their families in your community.
- ☐ Supports Rotary's commitment to youth.
- ☐ Good "bridge" to NYSF, RYLA, Youth Exchange and other youth programs
- ☐ Great opportunity to build relationships with local schools and youth support service providers.
- ☐ Today's RYPEN participants are our future Rotarian and community leaders.

RYPEN (Rotary Youth Program of Enrichment)

16th, 17th & 18th November 2018,

**Myuna Bay Sport and Recreation Centre**

Wangi Rd, Myuna Bay NSW 2264

**Applications Close November 9th 2018**

**Cost – Free. Your Local Rotary Club sponsors students**

Dear Parent, Guardian and Teachers

Now in our 30th year The Rotary District 9670 RYPEN Committee is pleased to announce that nominations are now being accepted for the RYPEN camp to be held on the weekend of November 16th, 17th & 18th 2018.

Supporting the development of youth is a key focus of Rotary and here in District 9670, RYPEN, is one of our flagship youth programs delivered twice a year to around 70 students.

**RYPEN** is aimed for that large group of, boys and girls, aged between **14 and 17 years**, school **years 8 to 10**, who show some qualities of decency, courage, persistence, sincerity and application in every-day life, which deserve further development (in which case is everyone & anyone).

The principal and student outcomes of the program are:

- ☐ Increased motivation,
- ☐ Improved life skills,
- ☐ Improved self-image and pride,
- ☐ An understanding of setting and achieving goals,
- ☐ Increased confidence to overcome problems and take control of their future,
- ☐ Form their own values and moral standards.

We advise that the student does not go with friends. If the students do not know anyone at the start of the program, they will leave with 30+ new friends and contacts when it finishes on Sunday afternoon. RYPEN is an intensive program, consisting of plenary sessions, workshops and sport and entertainment activities.

Participants are accommodated in dormitory style rooms, and meals are provided in our self catering lodge. Special dietary requirements can be catered for by the camp chef. The RYPEN committee and facilitators live-in for the duration of the camp and provide the organisation and planning of the weekend. Rypenians receive suitable instruction, and play an active part in introducing and presenting group reports; assisting in camp chores as well as being involved in various group sessions.

***"Teenagers grow when they have opportunity to develop life skills".***

**Here's what some past participants have had to say...**

*"There has never been a camp that has wowed me this much, an experience I would love to relive and share with everyone."*

*"Every activity was absolutely amazing! I would do this over and over again especially if it was with the same people, the best group of people I have ever met."*

Here's what parents have had to say...

*"Holy cow, did we have one excited teenager on our hands on Sunday afternoon after the RYPEN camp!"*

*"Please pass on our thanks to all those involved in providing our precious daughter with a wonderful and life-affirming weekend."*

*"We have our son back, thank you."*

RYPEN is a unique opportunity for young people that can be a truly life changing experience.

For the student, RYPEN is also a gateway to the many other youth programs Rotary runs to support and develop young people such as; as Driver Training, National Youth Science Forum, Youth Exchange, Try a Trade, RYLA and many more.

Please note: due to costs associated with the RYPEN camp, should Participants drop out within seven (7) days and/or not attend the camp; and a suitable replacement for the Participant cannot be found; the sponsoring Rotary Club will not be credited or refunded the cost for the camp. It is important that the Participant and Parent/Guardian/Teacher understands the commitment made when nominating for the camp and ensure that any changes to their circumstances are communicated to the RYPEN Committee and sponsoring Rotary Club as soon as possible.

Should you require further information about the program contact either the Rotarian who has contacted you or myself directly.

We look forward to hearing from you.

Yours in Rotary,
