PRINCIPAL'S MESSAGE

Industrial Technology Timber

It was a pleasure to be a guest of Petrie's Mitre 10 last Thursday evening where this year's Industrial Technology Timber students were recognised for the effort they put into achieving some fantastic Major Works.

The Judges' Award went to Faith Douglas for her island bench. Of note too was Faith's design folio. It is not enough to produce an excellent Major Work. Student of Industrial Technology must also submit a folio that demonstrates from where the inspiration came for their final product, as well as the steps taken to realise that product. Faith's folio was "like a bought one" it was so good.

The People's Choice award went to Travis Clarkson for his butcher's bench. An excellent design folio also accompanied Travis' work. When asked how long it would be before his Major Work was put to work as designed – how long before it will have a knife put across it – Travis was quick to say it would be many, many years. It was easy to see why... it is a thing of beauty.

Petrie's Mitre 10 have been supporting our Industrial Technology Timber students with this public show of Major Works, the judging and the prize giving since 2011. We appreciate the support that the firm continues to provide.

Congratulations to Mr Smith too, whose governance, guidance and management of the Industrial Technology Timber students this year and for several years has yielded the kinds of results that have been on display at Petrie's Mitre 10 these past weeks.

Stables Exhibition

... and if you missed the Industrial Technology Timber Major Works display at Mitre 10, you can always catch up with them at the Stables Exhibition.

Tonight, Monday 12 November, the CAPA, TAS and HSIE faculties combine to showcase the Major Works of our Year 12 2018 students of Visual Arts, Industrial Technology, Textiles and Design and Society and Culture.

The exhibition at the Stables will officially open at 6pm. It will remain open daily from Tuesday 13 to Thursday 15 November between 10am and 4pm. It will close on Friday 16 at 2pm.

A big thank you to the Mudgee High P&C for its support in staging this exhibition each year.

Subject Choices – Stage 5

It is that time of the year.

Year 8 and Year 9 students will be run through the process of subject selections for Years 9 and 10 2019, on Wednesday 14 November.

As always, their teachers will be there to support them through the process.

If you have any questions about the process, feel free to call the school.

Remembrance Day

It was good to see so very many people at the Remembrance Day commemoration in Robertson Park on Sunday. “Lest we forget” is a warning, a point shared with students at our assembly last Wednesday. It literally means ‘for fear that we forget’ making it clear that only the foolish would forget the terrible cost of war.

Our captains represented well their school in what was a community event to reflect on that terrible cost, lest we forget.

Until next week...

Principal

MUDGEES HIGH SCHOOL P&C

Remembrance Day Assembly

On Wednesday 7th November, our school held a Remembrance Day ceremony to recognise and acknowledge the 100 years since the Armistice – the end of World War One.

As students entered the school hall they were each issued with a red poppy symbol. The presentation began with Maree Ioane introducing the event. Phoebe Smith continued with an outline of the key battles and number of deaths and casualties suffered by Australian troops.

Ashton Breadsell spoke of the relevance and significance of the red poppy and how it has become a symbol of Remembrance Day. This was followed by a poem, *In Flanders Field*, read by Cooper Treeve.

Lewis Roth explained the history of the Unknown Soldier in London's Westminster Abbey, followed by Harrison Kruger talking about the Australian unknown soldier resting in the Hall of Memory in the Australian War Memorial.

The Western Front battlefields were described by Lucinda Lillis, again bringing our attention to the number of casualties suffered by the Australian troops. Lewis Roth spoke again, this time to tell the story of a Cooma soldier, Ernest Albert Corey. He described his role on the battlefield and how he worked tirelessly to rescue wounded soldiers from that deadly place called no-man's land.

Kyle Kurtz read the ode. James Pegg played *The Last Post*. A minutes silence was observed after which James played *The Rouse*.

The students involved in the presentation of this assembly are congratulated for their public speaking and willingness to participate in our school commemoration of this significant anniversary.
