Monday
14 October
Week 1 Term 4
2019

Principal's Message

Farewell

Farewell may seem an odd word with which to begin the first newsletter editorial of the new term but it is a fitting time to report on Year 12's final week at Mudgee High School.

Their final week finished extraordinarily well with only a few bumps along the way.

The roadside collection points were extremely well supported. A big thank you to the whole Mudgee community for getting behind this effort, even in the trying conditions the on-going drought has thrown up. Their Rainbow fete was well attended by Year 6 students from Cudgegong Valley PS and Mudgee PS – students who will soon call Mudgee High their high school – and our own students from Years 7-12. In the Staff v Students soccer game, they played hard but only managed to draw 1-1 against their older, slower, yet wily opponents.

On Thursday 26 October, they graduated. Their last day at school. I was stopped by Mayor Des Kennedy on Friday who wanted to let me know just how impressed he was with the addresses given by the young people who spoke on the day. I too was impressed with all of them but did have a favourite on the day. Lachlan Wall, our outgoing and outgoing male School Captain delivered his address as poetry. (Lachlan, if you're reading this, I still want a copy so that I may publish it in these pages... you did promise).

The Farwell at AREC on the Friday was another success. The food, entertainment and company were all first rate.

Well done Mr McNeill and his band of helpers in creating the conditions that made the farewell assembly the success it was. Well done the staff who variously helped at the roadside collection stations, at the school social on Tuesday evening, at the fete afternoon and all of the other events tied to the week. A very, very big well done to Mrs Breadsell – the Year 12 Year Adviser – and her band of helpers in the support unit, especially Mr Golden, in bringing the whole week together and to a successful conclusion.

HSC Examinations begin with English Paper 1 on Thursday.

Good luck, Year 12!

Until next week...

Wayne Eade

Principal

OPENING NIGHT - 11 NOVEMBER 2019
HOURS: 12 - 14 NOVEMBER 10AM - 4PM
15 NOVEMBER 10AM - 2PM

Year 8 Validation Test

Dear Year 8 Parent or Carer

The **Validation of Assessment for Learning and Individual Development (VALID)** test for Year 8 students will be held between Monday 28 October and Friday 8 November 2019. The test takes approximately 70 minutes. The VALID Science 8 test is an interactive, multimedia test completed entirely on a computer.

VALID Science 8 contains multiple choice, short response and extended response tasks that are grouped around real-world issues, including scientific investigations. This is a diagnostic test, with tasks framed on Stage 4 outcomes and essential content in the NSW Science Years K-10 Syllabus. Students will be tested on their:

- Knowledge and understanding of science.
- Understanding and skills in the process of scientific investigation.
- Ability to evaluate evidence, make judgements and think critically.
- Ability to access information and communicate scientific ideas.

Students also complete a survey about their opinions, attitudes and values about science.

Since students complete VALID Science 8 on a computer, **each student needs to bring headphones or earbuds** that plug into a school computer. Earbuds for an iPod or portable player are suitable.

If your child has a disability that needs special consideration or has been educated in English for less than one year, please contact your child's school to discuss special provisions or possible exemption from the test.

Results of the test will be available during Term 1 2020. Information about each student is treated confidentially and held securely to ensure that the right to privacy of all students is maintained. A personal report for each student will be sent to parents/carers to describe the science knowledge and skills demonstrated by the student in the test. There will also be information about how your child's results compare with overall performance of all students in the test.

The principal of your child's school is able to provide you with more details about the VALID program if you require additional information.

Yours sincerely

Jenny Donovan

Executive Director, Centre for Education Statistics and Evaluation

Department of Education

Parent/Guardian Information Sheet – Love Bites Program

NAPCAN's highly regarded Love Bites and Love Bites Junior programs have been running in schools since 2005. The interactive and engaging sessions focus on the development of respectful relationships for young people aged 11 to 17. The programs aim to provide a safe environment in which young people can discuss and learn about their rights and responsibilities in relationships and look at ways to access support when needed. During the sessions, young people are introduced to a number of services in the community and encouraged to support their friends by utilising safe, healthy and proactive strategies.

The Love Bites program will run over two days and will involve all Year 10 students participating in a one day workshop during Week 5, Term 4. Students will partake in two interactive workshops and then be given the opportunity to sign up for a "reflective" art workshop. Here they can create their own campaigns to promote respectful relationships in our community.

Group 1: Tuesday 12 November

Group 2: Wednesday 13 November

The facilitators for the Love Bites program come from different community organisations and services including community health and the police. MHS staff will also be present during the sessions.

A Parent/Guardian Information Sheet regarding the Love Bites Program will be handed out to Year 10 students in the coming days.

THANKS
for joining our Quest
TO DEFEAT **BRAIN CANCER**

Mudgee High School

Your support of the 2019 MHF Beanie for Brain Cancer week is greatly appreciated. Your generous support will help fund valuable research so that together, we can tackle brain cancer.

17th September 2019

Words never seem enough to express my sincere gratitude for you participating in this year's Beanie for Brain Cancer Campaign.

The facts are that brain cancer kills more people under 40 years than any other cancer and is the biggest killer of children under 10! Thank you for putting your hand up to help change these shocking statistics.

A simple decision by you to hold a Beanie Day fundraiser or purchase a \$25 beanie this year has meant that brain cancer is no longer the forgotten cancer.

The Mark Hughes Foundation are thrilled to announce that for the 2019 Beanie for Brain Cancer Campaign over 3.5 million dollars has been raised.

Thanks to the country's generous support, a nationwide call for research projects will take place in the coming month aimed at funding the most innovative minds to solve this brain cancer riddle.

MHF Scientific Committee member Associate Professor Viive Howell says "We must think outside the box and attract the best minds if we are to improve outcomes for those affected by brain cancer. The amazing and tireless fundraising efforts of MHF in combination with the innovative grant round generated a synergy that is accelerating research efforts for this previously neglected cancer".

Every dollar makes a difference and you have helped us give hope to many brain cancer patients including myself.

Please accept my heartfelt thanks for joining with us in our crusade to defeat brain cancer.

Yours sincerely,

Mark Hughes

Applications for CSU 2019 programs are now open

The Indigenous Access Program is a 5 day testing and assessment program offered to Indigenous participants wanting to study at Charles Sturt University.

Successful completion of this program will gain you entry into a range of CSU Bachelor courses.

(<https://study.csu.edu.au/get-support/indigenous>)

All travel, meals and accommodation are covered for eligible participants.

Places are filling fast! Visit our website today: csu.edu.au/iap

Alternatively if you have any questions please feel free to contact the team on (02) 6933 4020 or email afb@csu.edu.au

Walanga Muru's Aboriginal and Torres Strait Islander Entry Pathway (ATSIEP)

An opportunity for Aboriginal and/or Torres Strait Islander students to gain entry to study an undergraduate level course at Macquarie University.

In 2019 they are hosting interviews in the 2nd week of each month from NOW to January 2020.

Walanga Muru's ATSIEP is a 2-stage process, comprising of an online application and an interview. Interviews will be held on campus to give students the opportunity to elaborate on their application in a casual setting and hopefully gain entry into any undergraduate degree here at Macquarie University in 2020 prior to the main round offers.

The on-campus interview days also gives students the chance to meet with other Aboriginal and Torres Strait Islander students currently studying at Macquarie University, learn more about our centre and the University campus, the events they run, and find out about any scholarships and accommodation options, and sporting opportunities etc. that you may be eligible for.

Each student that completes an online application (check out the link below for more info on the application) will be notified within 3 days of submitting an application whether their application is ready for an interview.

From the students interview date they will know within 2 weeks from the day they attend their interview whether they have been successful.

There are no prerequisites and students can apply if they:

- Would just like the peace of mind of an early offer.
- Are not going to receive an ATAR.
- Think that they may receive an ATAR score lower than is required for admission to their chosen degree.

APPLY NOW as applications are NOW OPEN

https://it-mqu.formstack.com/forms/aboriginal_and_torres_strait_islander_entry_pathway

Sydney University Indigenous Australian Engineering School

From **12-18 January 2020**, the Faculty of Engineering and Information Technologies at the University of Sydney will host the Indigenous Australian Engineering School (IAES), funded by Engineering Aid Australia.

The IAES Program gives 25 Indigenous high school students from across Australia, who are entering years 10, 11 and 12 in 2020, the opportunity to come to Sydney and explore the possibilities of studying and working within various fields of engineering.

The IAES Program is fully sponsored with all activities, accommodation, flights and meals covered by Engineering Aid Australia and the University of Sydney.

The week-long program will involve site visits to key Sydney locations, curriculum exercises and participation in cultural activities. Further highlights include networking opportunities with engineering industry representatives and recreational activities on Sydney Harbour.

If you are an Indigenous student with a high aptitude for mathematics and science and are interested in engineering, you are strongly encouraged to apply.

Application closing date: **18 October 2019**.

See **Miss Windeyer in HSIE** for application forms and details.

Applications are now open for the UNSW Science & Engineering Pre-Program

Coordinated by Nura Gili, UNSW's Indigenous Programs Unit, the program is designed to provide support and training for Indigenous school leavers to better prepare them for study in the fields of Science and Engineering through an immersive experience at UNSW.

This program is for current year 12 students. Travel and accommodation costs are covered by Nura Gili. Successful completion of the Pre-Program may lead to entry into an undergraduate degree with UNSW Science or Engineering.

Apply here: <https://www.nuragili.unsw.edu.au/study/indigenous-preparatory-programs> or email any questions to Science.EDI@unsw.edu.au

Anti Bullying Alliance update

Welcome back to Term 4.

The Anti-Bullying Alliance looks forward to working with the student body to help prevent, where possible, reduce and resolve incidents of bullying at our school.

The Alliance encourages anyone who recognises bullying to report bullying via the Bullying and Harassment form online at this address:

<https://mudgee-h.schools.nsw.gov.au/supporting-our-students/student-health-and-safety/anti-bullying.html>

Students can nominate any teacher they feel comfortable with to help them improve a situation. The non-punitive Method of Shared Concern used by the school has been successful in the majority of cases.

Remember: Report it, Don't support it!

The focus message of this term is a simple one – **be kind**. We will be working in partnership with the Student Representative Council to spread this message of kindness. Developing a culture of kindness creates a community where bullying is less likely to occur.

You can contact the Anti-Bullying Alliance with any concerns or questions you may have via phone or the email address:

antibullying@mudgeehighschool.net

Your Anti-Bullying Alliance members are:

Mr Saunders, Mrs Willetts, Miss May, Miss Slade-Potts and Mr Whittington.

The Alliance provides a central point of contact. It also co-ordinates the handling of bullying reports and supports staff as they use the Method of Shared Concern and co-ordinate student education in a range of issues related to bullying and harassment.

Fact sheet

FACEBOOK (For parents)

Follow us:

@ThinkUKnow_Aus

facebook.com/ThinkUKnowAustralia

What is Facebook?

Facebook is a free social networking site that allows users to create profiles, upload, share and view photos and videos and send messages. The site allows users who have common interests to interact, create and manage events and live chat with their online contacts, or 'Friends'. Facebook is restricted to users aged 13-years-old and above, however some users may lie about their age to join.

What devices can access Facebook?

Facebook can be accessed on any device that has an internet connection such as mobile phones, tablets and computers. It can be accessed via the Facebook website or through one of two apps, the generic Facebook app which includes all of Facebook's features except private messaging, and Facebook's 'Messenger' app which is used for private messaging.

Who can young people interact with when on Facebook?

Facebook users have the ability to interact with a wide range of individuals. Through Facebook's news feed users have the ability to interact in public conversations, with people who are not Friends.

What are the potential challenges with Facebook?

As with any form of social media, there are some challenges that young people may face when using Facebook. These can include online grooming (when an adult makes online contact with someone under the age of 16 with the intention of engaging in a sexual relationship) or cyberbullying and harassment. Other challenges include privacy concerns, such as revealing too much personal information on Facebook, reputation management or falling victim to scams shared through social networking sites.

What are the recommended privacy settings?

By maintaining strong privacy settings, users can limit the amount of information shared with strangers. When setting up privacy features on Facebook there are three options:

- **Public** - any Facebook user can view personal content and interact with your child.
- **Friends of Friends** - allows Friends and their Friends to view and interact with your child and their content.

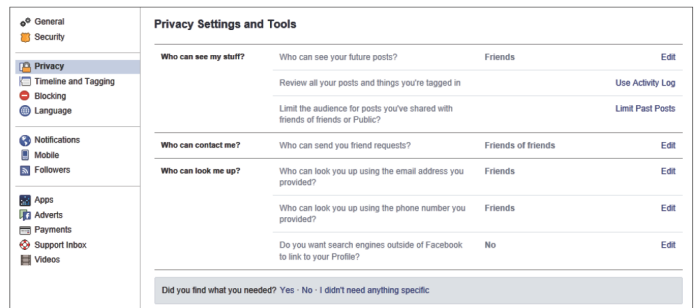

- **Friends** - only accepted Friends can see your content in the first instance. The Friends option is the safest way to ensure that you are sharing information with people you know and trust, but should not be considered as 100 per cent private.

There is also the ability to change the privacy options for individual posts.

How do you manage Facebook privacy settings?

It may be easier to change privacy settings on a computer rather than a mobile device. To manage your privacy on Facebook (on a computer), access the privacy settings by clicking on the downward facing arrow in the upper right-hand side of the page and select 'Settings'. In the left hand column, click on 'Privacy'.

To access these settings on a mobile device select the 'More' tab. Scroll down to the **Help & Settings** section and select 'Account Settings' and then 'Privacy'.

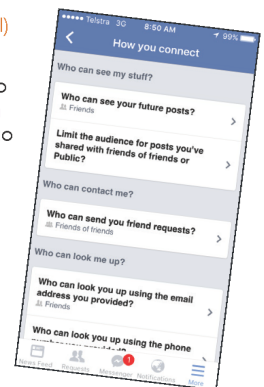

Here you can change a number of settings:

Restricting who can see a timeline (wall)

Under the 'Who can see my stuff?' section, you can manage who is able to access your timeline. Next to 'Who can see your future posts?', click on 'Edit' to ensure that 'Friends' is selected.

Restricting who can contact me

Under the 'Who can contact me?' section, you can manage who is able to send you Facebook requests. Next to 'Who can contact me?', click on the 'Who can send you friend requests?' and select the appropriate setting.

Fact sheet

FACEBOOK (For parents)

Follow us:

@ThinkUKnow_Aus

facebook.com/ThinkUKnowAustralia

Restricting who can see your email address and mobile number

Under the 'Who can look me up' section, you can manage who can see your email address and phone number if you have provided one.

Next to 'Who can look you up using the email address you've provided?', click on 'Edit' and select either 'Friends' or 'Friends of Friends'. Click on 'Edit' next to 'Who can look you up using the phone number you provided?' and select either 'Friends' or 'Friends of Friends'.

Restricting a Facebook profile being searchable

Under to 'Who can look me up' section, you can manage if your Facebook page will show up in search engine searches such as Google. The 'Do you want other search engines to link to you timeline?' option should be set to 'no' and can be switched to 'yes' by sharing your timeline with everyone.

How do you block offensive users?

You can block offensive users on Facebook by selecting the 'Block' option on their timeline, or by accessing the [Blocking](#) page through Facebook's [Account Settings](#).

To block a user, access their profile and select the 'More' option (signified by three dots) next to the 'Message' option on or under the person's cover photo. In the menu which appears, select the 'Block' option.

A dialog box will appear which provides options for dealing with the offensive user. This box will have different options depending on whether this person is already your friend. Select the 'Block' option to block the user.

Blocking a user will stop them from seeing your posts, tagging you, inviting you to events or groups, messaging you and adding you as a friend. If you are already friends, blocking a user will also unfriend him/her.

If you wish to report inappropriate content to Facebook you will need to do this before you block the user.

How do you report users or fake profiles?

To report a user or a fake profile on Facebook, access the profile's timeline and select the 'More' option (signified by three dots) next to the 'Message' option on or under the person's cover photo. In the menu which appears, select the 'Report' option.

In the corresponding dialog box, select 'Report this account' and then select the reason you wish to report the account. Follow the prompts to finalise your report.

INDIGENOUS ACCESS PROGRAM

MAKE TRACKS AND GET STARTED ON YOUR PATHWAY TODAY...

Are you curious about university, but not sure if you'd get in?

You're not alone. Which is why Charles Sturt University has developed the Indigenous Access Program.

It's a five-day alternative entry program for Australian Aboriginal and Torres Strait Islander people, of all ages, wanting to study at Charles Sturt.

How does it work?

You will undertake a range of testing and assessments which will determine your suitability for study. It's a chance to work out what you want to do and see if your chosen course is a good fit. Together we'll create a personalised plan for your academic future. You'll also get to try out uni life and discover all the different services available at Charles Sturt.

If you're successful, you'll be guaranteed a place in a host of Charles Sturt undergraduate courses.

Where and when?

Dubbo Campus

8-12 July 2019

Wagga Wagga Campus

18-22 November 2019

Port Macquarie Campus

2-6 December 2019

Bathurst Campus

3-7 February 2020

For eligible participants we'll even provide your travel, accommodation and meals for the week.

Hurry – places are limited.

Apply today at csu.edu.au/iap

For more information, contact:

GULGONG FOLK FESTIVAL

After some re-planning and juggling of Committee roles, Gulgong Folk Club Inc. now has a new Festival Director, and it is FULL STEAM AHEAD for the 34th annual Gulgong Folk Festival:

29-31 December 2019.

Sponsors still have time to jump on board.

Accommodation choices are varied, and will be eagerly sought.

The **Bushwackers Bush Band** has top billing.

On offer will be concerts, jam sessions and 'blackboard concerts (walk-ups), relaxed /informative workshops for instruments and voice.

Poets' Breakfasts, too. And, Buskers' Corner for morning music on Mayne Street.

*Special news for songwriters ... **two (2) song writing competitions.**

- a) A new comp for any freshly penned folk song, with age categories up to 21 years/ over 21.
- b) The established and respected John Dengate political parody songwriting competition.

* It is obvious that there is plenty of material around for folk songs and, especially, parodies!!

The main Festival venues have efficient air-con.

A Gulgong Treat:

Pianists are welcome to display their talents on the Steinway in the Prince of Wales Opera House in the Open Recital.

Do check out some details at www.gulgongfolkfestival.net.au and like us on Facebook.

TryBooking is our online ticket sales contact of choice, with an impressive 'early bird' offer.

Children under 12 years of age gain FREE entry for the Festival.

Volunteers devoting 8-9 hours of Festival duty will earn a free 3-day Season Ticket.
