## Escutcheons... there can be only one.

Welcome to the penultimate newsletter for 2022.

Next week is a busy one with MAD concert, Presentation Assembly and yearly reports for Years 7 to 10 being delivered.

It is also the last week for all students. Only school staff will be present on Monday and Tuesday, the 19 to 20 December.

From last week, a huge well-done to the many teachers and small number of students who put together a showcase afternoon on Wednesday 30 November. The success of any secular, liberal democracy is underpinned by a free and universal secular education for all children. What was on show on Wednesday was what that free and secular education looks like up-close and personal. Mathematics from the practical to the esoteric, laser etching, the science behind fireworks and wave motion, cloud making in a jar, the merits of wide reading and better writing, the importance of historical enquiry, plasma cutting and a host of other offerings were on show. It was hard to escape the feeling that Mudgee High very much provides a place for all learners.

Well done too to Mrs Wade and her HSIE helpers who hosted Shane Blackman and his WWI, hands-on tour. It would be fair to say that our students thoroughly enjoyed their 70-minute sessions and now have a deeper appreciation of the mechanics and horrors of early 20<sup>th</sup> Century warfare. Being provided the opportunity to hold, carry and in some cases wear the equipment used in what was the costliest war Australia has ever engaged has the power to make it just that little bit more accessible; a little more real. Mr Blackman commented at the end of the day that the students with whom he had worked that day were among the best engaged he has had was a gratifying observation.

Finally, well done House Cunningham!

On Wednesday 7 December, the final tally of House points was presented on assembly. There had been quite a bit of House jostling in the final weeks. By way of example, House Wentworth provided a sterling upset win in the House Table Tennis Championship at the close of last week.

In the end it was Cunningham, the yellow house, that prevailed with a total point score of 261,579. Cunningham bettered its closest rival, House Blaxland, by just 1,359 points. Lawson was a close third with 259,947 points and Wentworth a semi-distant fourth with 246,462 points.

A new escutcheon will be engraved for placement on the House Cup: Cunningham 2022. It will line-up alongside Cunningham 2020 and Cunningham 2021.

That makes three for three.

2023 will be a time for Houses Blaxland, Lawson and Wentworth to shake the House tree!

Until next week...

## CAPA faculty news

Exciting times for the Creative and Performing Arts faculty as we wrap up the year!

Work has commenced on a huge mural on the Denison Street entry to the school. Maddison Gibbs and Jason Wing are leading students through their process in creating a large-scale mural; upskilling and inspiring our students. The artists are well-renowned in the field and currently have artworks exhibiting at the Mudgee Arts Precinct. Jason Wing (Biripi people) is influenced by his bi-cultural upbringing, exploring the ongoing challenges that impact his wider community. Maddison Gibbs' (Barkindji woman) practice examines dual histories - focusing on stories of past and present Aboriginal societies and spirit. The work reclaims the space with flora designs. Keep your eyes peeled on the school's northern entry for the final product.

And keep the MAD concert date in your diaries! A stunning exhibition and a range of musical and drama performances on Tuesday 13 December. Doors open at 5:30 pm for the exhibition, followed by the concert at 6 pm.

## Canteen volunteers needed

Mudgee High School canteen provides healthy food for students and staff.

The canteen is managed by the P&C and all profits are used to fund school improvements and initiatives.

The canteen relies on assistance from volunteers to help with food preparation.

If you would like to volunteer some of your time, please contact the Canteen Manager, Michelle, on 0407 131 950 or Mr Holleman at [carl.holleman@det.nsw.edu.au](mailto:carl.holleman@det.nsw.edu.au).

Any amount of time you can spare to be available would be greatly appreciated.

## Second-hand school uniform

Mudgee High would be very grateful for the donation of any second-hand school uniform.

If you have any superfluous school clothing that is still in usable condition, please drop it off to the school office. It will be gratefully received and used to assist students and families who may be struggling to supply their own.

## What is respite care?

Respite carers provide short term stays for children in our foster care program. Respite carers aim to provide support and positive experiences for the child or young person, sometimes regularly or on an as-needed basis.

### Respite carers often provide care that suits their lifestyle, but generally:

- On weekends
- During school holidays
- For short periods of time
- To toddlers, children or teenagers on their own or in a sibling group.

### To become a respite carer for Samaritans, you will need to:

- Have space in your home for a child or young person
- Be in good health
- Be authorised through the training and assessment process
- Be over the age of 18.

Samaritans carers are supported by Case Managers, a carer support team, and wrap-around supports in place for the child or young person. We have a 24/7 on call service to support you and your family whilst you are undertaking respite care. Samaritans also provide ongoing training to all carers.

**If this sounds like you, please contact our PSP team today!**
