Monday
25 March
Week 9 Term 1
2024

Principal's message

School Development Day – Tuesday 30 April

School development days are used to build on the knowledge and skills of our teachers, the school's leadership team and its administrative support staff through targeted professional learning.

Professional learning is important in building the capabilities of Mudgee High's staff to ensure that members of that staff continue to be highly skilled and professional in what they do, and to support the department's vision for NSW public education to be Australia's best education system and one of the finest in the world.

Very occasionally, schools need to move their school development days to access resources in high demand and scarce supply. Mudgee High is in such a position.

The NSW Department of Education makes allowance for specific school variations to development day scheduling, specifically:

Variations of school development days

Schools that wish to vary the date of a school development day can consult with their school community and advise their Directors, Educational Leadership.

Mudgee High's Director, Educational Leadership and the school's P&C have both been consulted about moving the school development day scheduled for Thursday 19 December to Tuesday 30 April. The move has been made necessary so that the school can access day-long, face-to-face support from its professional partner organisation, Real Schools. This is all part of Mudgee High's 'restorative practices' implementation and the establishment of more consistent and student-supportive practice across the school.

The school has the support of the P&C in moving the school development day. As a result, all students will return to school on Wednesday 1 May, their first day of Term 2. Term 4 will now conclude for all students, Years 7-11, on Thursday 19 December.

Parent/teacher evening – Thursday 4 April

Parent/teacher evenings provide an opportunity to visit the school and discover what your child has been studying in their classes and how well they have been engaged with that study, as well as what you may be able to do to assist them to progress further.

*Mudgee High School

Education

Mudgee High parent/teacher evenings offer a formative assessment of your child's educational progress, well before reports are written. These evenings allow us to build the kinds of partnerships with parents and carers that better optimise each student's prospects of school success.

Next week's parent/teacher evening will be on **Thursday 4 April**. It will run **from 3:45 pm until 7:45 pm** and **bookings are essential** (see separate information in this newsletter).

P&C Annual General Meeting v2.0 – Monday 8 April

This week's P&C annual general meeting failed to secure a president for the 2024-2025 school year. There were no nominations.

As a result, a motion was moved that the AGM be reconvened on **Monday 8 April** to allow another opportunity to secure a new P&C executive team. The motion was carried.

P&C is an opportunity to engage with Mudgee High's senior executive and maybe discover just a little more about what is happening at Mudgee's biggest school. P&C is an opportunity to provide parental and community perspectives on the things connected to the school.

It would be remiss to not thank Ms Anthea Nicholls, who has held the position of MHS P&C president for several years. Given that Anthea's youngest has fewer than ninety days of school left, it should come as no surprise that she has made the decision to not seek re-election.

As said last week, the world is run by those who turn up. Here is an opportunity to do just that.

Extended Leave

I begin extended leave on Tuesday 2 April and will not return to school until Monday 13 May. Mr Rosolen will be the relieving Principal in my absence. Mrs Cini, HT Mathematics, will step up into the vacated Deputy Principal role.

So, until next term...

Wayne Eade
Principal

Year 12 Can Assist fundraising

Mr Wayne Eade
Mudgee High School
41 Douro Street
MUDGEES NSW 2850

DGS24/197

Wayne
Dear Mr Eade,

It gives me great pleasure to congratulate you, your team and your students on the results achieved by Mudgee High School in the 2023 Higher School Certificate.

You and your entire school community should be immensely proud of this achievement. Our Plan for Public Education speaks of our ambition as a system to provide opportunities for all and transform lives through learning. I know that this can only be achieved by strong leadership with a dedicated and professional staff sharing a collective vision of continuous school improvement. I also know that Mudgee High School excels in delivering on this.

Mudgee High School saw an uplift of 9.7% from 2017-18 in 2023 and continued improvement from 2022 to 2023 in your top three band results. This improvement represents one of the highest improvements in the state and demonstrates Mudgee High School's ongoing commitment to student improvement and school success in the HSC, and the support of your dedicated teaching staff to sustain it.

Your school's focus on explicit teaching, unpacking the requirements of the syllabus and mapping out the key markers of success in terms of knowledge, skills and understandings has reaped rewards for students in the form of improved outcomes and results. The shift to a narrow and deep focus on reading across the curriculum by all faculties around the use of individualised student data to improve differentiation is something that the school will no doubt continue to work on moving forward.

I know that this achievement does not happen in isolation. It is the collective efforts of a whole school to providing outstanding learning experiences in every classroom that challenges and grows our students.

Once again, congratulations on this well-deserved recognition. On behalf of the students at Mudgee High School, I thank you and your staff for your unwavering commitment to public education. I wish you continued success for 2024.

Yours sincerely

Murat Dizdar

Breaking news from the English faculty

From Week 7, English tutoring will occur on **Wednesdays at lunchtime in K06**. Tutoring is no longer available on Tuesday after school. Students who would like assistance with their work, need only turn up at K06 at lunchtime on a Wednesday.

Please note: Tutoring is to assist students with work they currently possess. Teachers will not have work prepared for tutoring.

	<p>Darcy Endacott</p> <p>Year 12</p> <p>For her fundraising efforts and hairdressing prowess!</p>

Parent/Teacher evening for Years 7 to 12

Parent/teacher evenings are an opportunity to find out what and how well your children have been doing at school. It is also an opportunity to discover ways in which you may be able to assist your children to improve.

In 2024 we are trialling a new look format for parent/teacher interviews. The key changes are:

- Two parent/teacher interview evenings for the year - one in Term 1 and one in Term 3.
- Each evening has been expanded by one hour, running from 3:45 pm to 7:45 pm.
- Interviews will be scheduled at a maximum of 5 minutes
- Each evening will cater for ALL Year groups, 7 to 12.

We are very happy to be able to welcome you to our first round of parent/teacher interviews being held on Thursday 4 April, from 3:45 pm to 7:45 pm.

Interview bookings can be made via our online booking system in the Sentral parent portal. Interview booking time slots will be released to parents from **9 am Wednesday 27 March and close at 5 pm Wednesday 3 April**. If you cannot access the Sentral parent portal, please contact the school for assistance. You will need to provide a valid email address to establish a portal account. Interviews must be booked online.

We have no doubt you understand that opening each of the evenings to all Year groups increases the potential for our teachers to be fully booked. As a result, we have determined that **NO bookings will be made on the night. All bookings must be made online, via the Sentral Portal**. Please contact the front office and our administrative staff if you need assistance with bookings. Teachers have been allocated a 15 minute meal break for the evening. Systems will be in place, at the Concierge Desk, in the event that any teacher is absent for the evening.

The Learning and Support Teachers, Student Support Officer (Wellbeing) and Careers Adviser will also be available on the night. No appointments are necessary. Please feel free to drop by, say hello and discuss your child's learning and support needs.

Interviews will occur in the gymnasium. Our concierge will be able to assist you in finding your appointments. All faculty areas will be clearly signposted. Entry to the school will be via the Denison Street gate.

We look forward to seeing you again or perhaps meeting you for the first time.

Melissa Date
Deputy Principal

Year 12 Easter raffle

And the winner is...

Liliann Hemmingway (Year 10)

Years 7 and 10 vaccinations

In 2024, parents can continue to provide consent online for their child's school vaccinations.

The following vaccines are offered free to students at school:

- Year 7 - diphtheria-tetanus-pertussis (dTpa) and human papillomavirus (HPV)
- Year 10 - meningococcal ACWY vaccine

Vaccination Dates:

- Year 7 - Monday 6 May
- Year 10 - Tuesday 7 May

Vaccination will only be provided at school if consent has been received.

To provide online consent for vaccination, parents/carers will need:

- Their Service NSW log-in details, or to create an account with Service NSW if you don't already have one.
- Medicare details for parents/carers and their child.

To complete online consent for your child's school vaccinations visit:

<https://nswhealth.service-now.com/school>

1. Follow the steps to log in to your existing Service NSW account. This is the same account you may already use to renew your driver's licence. If you don't have a Service NSW account, refer to Service NSW to create one.
2. Update or confirm your personal details in Service NSW as required.
3. Complete the School Vaccination Consent Form for your child/ren. You will need to:
 - Enter your child's personal details.
 - Provide the Medicare card details for you and your child.
 - Read the linked Parent Information Sheet and privacy statement.
4. Provide consent.

If you or your child do not have a Medicare card, consent can still be provided by requesting a paper-based consent form directly from the school. Please contact Mrs Robyn Burke.

For more information on routine school vaccinations, please visit:

www.health.nsw.gov.au/schoolvaccination

If you require information in your language, please visit:

www.health.nsw.gov.au/immunisation/Pages/school_vaccination_language.aspx

Wheelchair basketball

Mudgee High had a visit from Wheelchair Basketball on Monday 11 March. Brendan from the Wheelchair Sporting Experience ran three separate sessions with Year 10 PASS classes, 11SLR, and students in Years 7 to 10 who nominated to attend. He spoke with students about his condition and educated them on the importance of keeping themselves safe in order to prevent spinal injuries. Students were given the opportunity to experience what it is like to be bound in a wheelchair and play basketball.

It was a fantastic experience and all students thoroughly enjoyed playing the game. Many were shocked by how hard it is.

Thanks to all those involved.

Link news

Samuel Rich (Sam)

Sam is enjoying his work experience at Club Mudgee, taking care of the bowling greens. It is truly a family affair with Tom Rich, a Link participant in 2022, gaining an apprenticeship with Club Mudgee alongside his brother, Jae Maskell. Both Tom and Sam are making a name for themselves in the world of lawn bowls on the national stage. Well done boys!

Apprenticeships offer a unique chance to learn valuable skills in a hands-on environment while working alongside experienced professionals. By taking part in apprenticeships, students not only enhance their knowledge they also prepare themselves for future careers in various industries.

Above: Tom, Sam and Jae

Left: Sam on the roller

Open girls football

There has been positive interest in football (soccer) this year with many students turning up bright and early each Wednesday morning for training. Our open team in 2023 comprised many Year 12 students. As a result, the team make up is very different in 2024.

Round 1 saw Mudjee High host Orange High on the school oval. Mudjee High set a good pace to the game and put pressure on during defence. Unfortunately, Orange gained the upper hand, securing a goal after some scrappy efforts in the goal box. After a penalty shot, Orange High led the way 2-0 at half time.

An early effort in the second half and a classy finish from Evie Vitnell put Mudjee back in the game 2-1. Despite some great game play and continued effort from the Mudjee team, Orange were able to score two more goals to defeat Mudjee 4-1.

A great effort from the many new team members, including five students from Year 7!

Team:

Chelsea Callaghan (Year 7), Hope Gilmour (Year 7), Rachel Gilmour (Year 7), Sophia Long (Year 7), Millie Sinnett (Year 7), Ania Cole (Year 8), Alya Vitnell (Year 8), Evie Vitnell (Year 8), Emily Stone (Year 9), Neveah Beckwith (Year 10), Rachel Channon (Year 10), Olivia Don (Year 10)

Absent: Alexxia Wake, Chelsea Mottershead, Charlie Wallace and Abi Campbell

Ms McCann

Coach

Lawn bowls

In the early hours of Friday, 22 March 2024, the Mudgee High School Lawn Bowls team departed for Orange to take part in the WSSA Lawn Bowls finals where they would be playing off for state qualifications, and a chance to continue the success of lawn bowls at Mudgee High.

In somewhat of a transition period for junior bowls in the western region, it was anyone's guess who would be challenging for the title this year with a number of excellent bowlers having moved on and new bowlers coming through.

The pressure and expectation did not phase the ever calm and collected Charlie Gallen, deflate the swagger of Will Hayward or challenge the expertise of Sam Rich. The boys came away with three pool wins to advance to the final against Cowra.

A close first end was followed by two ends of great bowls that saw Mudgee get away to a commanding lead, a lead that was never challenged. Our team finished the day as Western Champions and in doing so, has qualified for the state carnival.

A fantastic achievement and one we are all proud of!

All three boys played their part to continue Mudgee High's success, with Charlie Gallen the pick of the bowlers as he set up each end for Will to add to, and for Sam to land the final blow.

Such was the standard of bowls from Sam and Charlie that both boys have been selected for the Western Lawn Bowls Team!

I would like to congratulate Sam, Charlie and Will for their great effort on the day, and Sam and Charlie for their selection into the Western team. I would also like to congratulate the three boys for the way in which they represented themselves and Mudgee High School.

Well Done and good luck at the state carnivals!

Mr T Dal Forno.

Wil Hayward, Sam Rich and Charlie Gallen

Support Unit - Liveability Art Workshop

As part of their Geography topic, *Liveability*, Support Unit students recently visited the Mudgee Arts Precinct to view the Julian Meagher exhibition and participate in a Liveability themed workshop in the new Cultural Workshop space. The workshop was facilitated by artist and Cultural Officer, Michael Burke, who invited students to picture an ideal 'future Mudgee'. There were some interesting ideas and pictures created, featuring such things as water parks, floating restaurants, a beach, bowling alley, chair lift up Mt. Misery, underground camping, pizza world and, of course, a Hungry Jacks restaurant :)

NSW Education Parent App

The NSW Education Parent App has several new features making it even easier for parents and carers to stay in touch with the latest news, access learning resources, and get emergency updates from their child's school.

The new-look app is designed to streamline communication between schools and parents and carers with features such as push notifications to your phone so you never miss any important news or an upcoming event. Users will also now be able to receive emergency updates such as school closures, and access learning and enrolment resources.

The app was developed and is endorsed by the department, free for schools and parents and carers to use, and is synced with the School Website Service (SWS).

Key features of the app for parents and carers include:

- newsletters
- news
- feature carousel
- upcoming events and calendar notifications
- emergency notifications including school closures
- enrolment resources such as School Finder and Start a new enrolment application
- learning resources such as Everyday Maths and Parents and Carers Toolkit
- quick access to call or email the school
- ability to translate default language
- tailored news feed based on year group
- information from multiple schools in one place.

Download the app in the [Apple Store](#) or [Google Play](#).

NSW Department of Education

Never miss an important school update or event.

The **NSW Education Parent App** makes it easier than ever to stay up-to-date with the latest information from your child's school. Featuring latest news, newsletters, personalised feeds by year group, events calendar, push notifications, instant updates and alerts, advanced security and more.

Want \$500 to help you with school costs?

Saver Plus is a financial education program for families and individuals on a tight budget to develop life-long savings habits.

To join Saver Plus, you must:

- ✓ Have a current Health Care or Pensioner Concession Card **AND** an eligible Centrelink payment*
- ✓ Be studying yourself **OR** have a child in school (can be starting school next year)
- ✓ Have regular income from work (either yourself or your partner)*
- ✓ Be 18+ years old

*Many types of income and Centrelink payments are eligible

Here are some of the school costs the \$500 can be used for:

laptops & tablets

uniforms & shoes

books & supplies

sports fees & gear

lessons & activities

camps & excursion

For more information, please contact your local Saver Plus coordinator:
