Week 6 Term 1  
2024

## Principal's message

### On your mark!

Last Friday's swimming carnival went off well.

House spirit was there in abundance and a great many of those in attendance proved active participants. In a school of 800, with more than sixty teaching staff, it can be easy to lose sight of the whole. As a result, things like formal assemblies and big events like swimming and athletics carnivals provide opportunities to bring us together. The success of the carnival can be attributed to the detailed planning put in place by our carnival director, Mr Dal Forno, the active encouragement provided by staff and as already stated, the cooperation and active involvement of our students. Well done, all!

I will let a few of the shots bagged on the day tell more of the story.

### Charged up, ready for action

Cooler Classrooms is coming to Mudgee High. The successful tenderers for the Mudgee High project were announced on Thursday 8 February. Those same successful tenderers were on site on Friday 1 March.

The Cooler Classrooms Program has been an ambitious plan since its beginning in 2018. Ambitious because the timeframe given was five years.

The program when initiated, and as explained by the Department of Education, looked like this:

*... smart air conditioning systems provide the best possible learning*

Year 12's Ella Martin and Tara Sunderland fundraising

*Mudgee High School  
is a member of the  
Cudgegong Learning  
Community*

**Next P&C meeting**  
**Monday 25 March**  
**7 pm in the Learning  
Centre**  
**Entry via Douro Street**  
**All welcome.**

Education

*environments for our students and deliver benefits beyond air cooling. These benefits include better air quality and comfort and increased awareness of sustainability and energy use...*

*Cooler Classrooms funds the installation of air conditioning in classrooms and libraries for schools that:*

- have a mean maximum January temperature of 30 degrees and above where there is currently no air conditioning*
- need to replace existing air conditioning units.*

More than 900 of NSW's 2200+ schools were identified as fitting the criteria; Mudgee High was one of those schools.

We may not have made it into the glorious window that was the five-year plan, but the problems presented by our site have made the program's implementation a little more complex than most. The most pressing complexity has been the absence of sufficient power.

Last year, solar panels were installed on the top of B Block to assist in the cost of running the new install. This year, in what has been presented as a 36-week plan, the power upgrade necessary will be established and all classrooms will receive reverse-cycle air conditioning.

As stated, the work is meant to be completed within 36 weeks of the tender being accepted. Completion within that timeframe is without doubt an impressive target, made all the more ambitious by the fact that Australia is virtually at the end of the world supply chain for much of the manufactured equipment that will be used in this build.

Here's hoping it is completed on time, ready for next summer.

Until next week...

Wayne Eade  
Principal

When a free swim is not a free swim... House relay 2

Year 12's Davor Miloshevski in House relay 1

	<p><b>Zak McKay</b></p> <p><b>Year 12</b></p> <p>For his brilliant Year 12 fundraising efforts at the swimming carnival.</p>

# New addition to the Sentral Parent Portal - Sentral Finance

The way business is done at school is about to change for the better.

The school's financial systems will soon migrate to Sentral Finance. As a result, Sentral's systems will be offline from **Monday 4 March** until **Tuesday 12 March**. During this transition period, the 'make a payment' option on the school website will be unavailable. You will still be able to make payments through the school office. Only online payments will be affected.

After the migration, the *Sentral for Parents* app will allow parents and carers to monitor their children more simply and efficiently at school. The app will also provide numerous smart features, allowing parents to; receive messages and notifications from teachers; report absences; make payments for school activities and more.

The *Sentral for Parents* app will help parents and carers stay connected and informed.

Sentral has introduced a new module which offers parents and carers an easy and convenient way to make payments and manage permissions.

Parents and carers will now be able to sign permission notes and make payments at the same time to provide an even more efficient way of handling their child's school finances.

For more information regarding the move to Sentral Finance, please review the FAQs:

<https://www.sentral.com.au/sentralfinanceparentfaqs>

*Sentral for Parents* Portal and App FAQs:

<https://www.sentral.com.au/portal-app-help#faq>

## Every Day Matters

If your child misses as little as  
**1 day** per fortnight  
they will miss  
**4 weeks** of school per year  
which adds up to over  
**1 year** missed over their school life

Make sure your child doesn't miss out on the important things like:

- Learning
- Strengthening friendships
- Emotional development

# Support Unit - Science

## Exploring the microscopic world: Support Unit students dive into classification

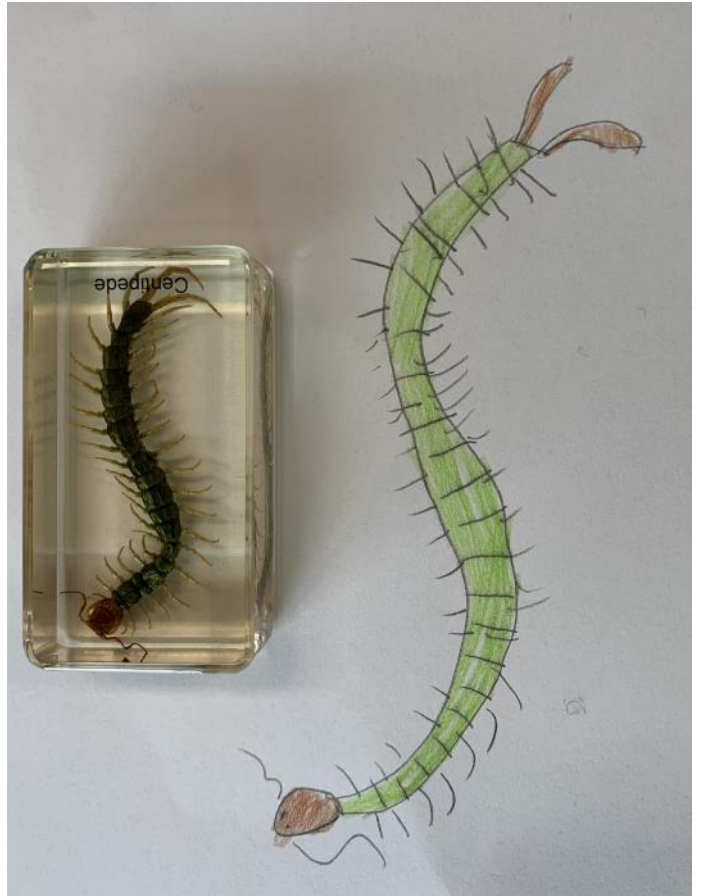

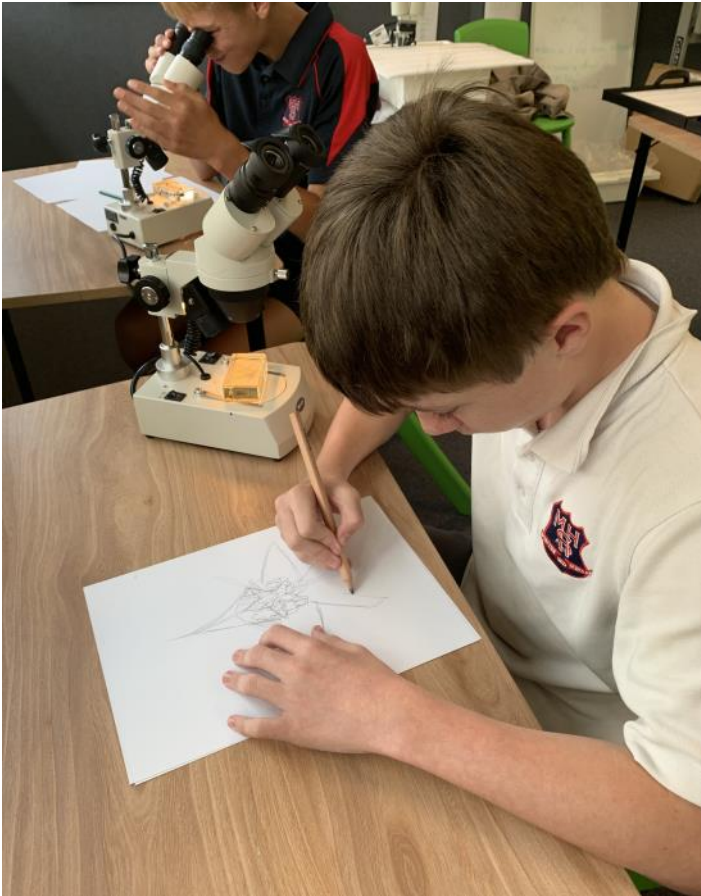

In a recent science lesson, students from the Support Unit embarked on an exciting journey into the world of classification using microscopes. With curiosity as their compass, these young explorers delved into the intricate details of various specimens, uncovering hidden wonders that are invisible to the naked eye.

Through hands-on exploration, they honed their observational skills while creating sketches of different insects and animals, fostering a deeper understanding of the natural world around them. This immersive learning experience not only enriched their scientific knowledge but also instilled a sense of wonder and appreciation for the beauty and complexity of life at the microscopic level.

As they continue their educational journey, these young scientists serve as a testament to the importance of inclusivity and accessibility in education, reminding us that with determination and support, every student has the opportunity to explore, discover, and thrive.

# Introducing the HSIE Faculty 2024

The HSIE faculty at Mudgee High School has hit the ground running to take on a jam-packed 2024 school year!

Much discussion has taken place in the staffroom already this year about how impressed we are with classes settling into routines and embracing the wonderful worlds of History and Geography. In particular, a special shout out must go to Year 11 students who have been regular recipients of such commendations in these discussions.

The key learning area of *Human Society and Its Environment* (HSIE) offers a range of subject areas and opportunities for students to connect with the wider world. Students in Year 7 start this journey by spending their first high school year looking at an introduction to Geography and then follow this up in Year 8 with a year of History. Once students are in Stage 5, one semester covers the Mandatory Geography course and, the other, Mandatory History in Years 9 and 10, respectively. Students in Years 8, 9 and 10 are also provided with opportunities to explore elective courses in Commerce. Additionally, many of our senior students are involved in subjects such as Ancient History, Modern History, Business Studies, Legal Studies, Economics, and Society and Culture.

At the end of 2023, the faculty spent some time planning for the year ahead. Among this work was included a whole faculty check in as to what we want our students to appreciate and embody by the time they leave our HSIE subjects. Words such as *empowered*, *curious*, *respectful* and *empathetic* drove most of the brainstorming. It is hoped that by exposing our students to a number of real-world issues, that we can do just that. We also thank our students' parents who are always such great advocates for our subjects.

This year, the faculty welcomes a new member of staff to the team. Toby Harbison has joined us from Newcastle and has already done an outstanding job as a beginning teacher. We hope the Mudgee community welcome him with the same warmth and generosity in which the HSIE faculty at MHS has done. Making up the rest of our dedicated team are Helen Dziura, Rhys Kable, Emma Love, Kieran McHugh and Melinda Wade.

We look forward to continuing to work with Mudgee's young people in helping shape them into well-informed and passionate individuals.

Kimberley Lang  
Relieving Head Teacher HSIE

## Breaking news from the English faculty

Changes to English tutoring.

**As of next week, Week 7, English tutoring will occur on Wednesdays at lunchtime in K06.**

Tutoring is no longer available on Tuesday after school. Students who would like assistance with their work, need only turn up at K06 at lunchtime on a Wednesday.

Please note: Tutoring is to assist students with work they currently possess. Teachers will not have work prepared for tutoring.

# HSIE ~ Junior Assessment Schedule ~ Semester 1

The following assessment schedule is a guideline. There may be some minor variations, however, students will be adequately notified of any changes to due dates.

Students in Year 7 are studying Stage 4 Geography for the whole year. Students in Year 8 are studying Stage 4 History for the whole year. Year 9 are studying Geography in Semester One. Year 10 are studying Geography in Semester One. Some students in Years 8, 9 and 10 have elected to study either Commerce 08 or Commerce 01.

<b>Year and Subject</b>	<b>Assessment Task</b>	<b>Task Weighting</b>	<b>Due Date</b> <small>Please note: Due date for the task falls within the listed week. The exact due date for each task will vary within that week depending on which day the student has that class.</small>
Year 7 Geography	Assignment – Landscapes and Landforms	45%	Week 10 Term 1
	Examination	35%	Week 4 Term 2
	Class Participation	20%	Ongoing
Year 8 History	Assignment – Ancient Egypt	45%	Week 10 Term 1
	Examination	35%	Week 4 Term 2
	Class Participation	20%	Ongoing
Year 9 Geography	Assignment – Sustainable Biomes	45%	Week 10 Term 1
	Examination	35%	Week 3 Term 2
	Class Participation	20%	Ongoing
Year 10 Geography	Assignment – Human Wellbeing	45%	Week 10 Term 1
	Examination	35%	Week 3 Term 2
	Class Participation	20%	Ongoing
Commerce 08 (Year 8 Elective)	Assignment – Promoting and Selling	50%	Week 9 Term 1
	Examination	30%	Week 4 Term 2
	Class Participation	20%	Ongoing
Commerce 01 (Year 9/10 Elective)	Assignment – Consumer and Financial Decisions	50%	Week 10 Term 1
	Examination	30%	Week 3 Term 2
	Class Participation	20%	Ongoing

Assignments may be submitted in either hand-written or typed form. If students wish to submit their work digitally, this should be done through Google Classroom's Submit function. This is the preference for digital submissions. However, work may be handed in on paper. Please do not assume that everything must be digital.

If your child is unable to meet the due date for an assessment task, they will need to complete an application for Special Consideration. These forms can be collected from the HSIE staffroom. It is the responsibility of the student to collect this form, complete it and return it to the Head Teacher of HSIE or their classroom teacher. In the event of a sudden absence, perhaps the result of illness or misadventure, the form can be completed after the due date. In all other circumstances, application for Special Consideration must be completed in advance of the due date.

## Accessing HSIE Google Classrooms

Students should be making the most of the Google Classroom facility for their HSIE studies.

To access these classrooms, they will need the following entry codes:

Core Subject	Entry Code		Elective Subject	Entry Code
Year 7 Geography	u7e4twd			
Year 8 History	hrduci6		Commerce 08	hoktzyz
Year 9 Geography	kehleyz		Commerce 01	wtk3wte
Year 10 Geography	alpdc7y			

Students will need to sign into the Google platform using their [@education.nsw.gov.au](mailto:@education.nsw.gov.au) login details.

**Notes can be collected from Miss Eslick in the English staffroom.**

**You MUST return the note with your name, size and number of shirts required to the Office before making a payment.**

**Payments and note due Thursday 7 March, 2024.**

**Yr 10 Shirt**

**If you have any questions or concerns, please see Miss Eslick**

## Link news

### Girls Can Too – Regional Industry Education Partnerships (RIEP)

The 'Girls Can Too!' program provides an opportunity for high school aged women to explore careers in non-traditional trades while connecting them with local employers.

The program supports the NSW government women in trades strategy and is funded by Trades Pathways Program and Regional Industry Education Program (RIEP).

Girls Can Too! Mudgee is delivered by TAFE NSW, also supported by Glencore - Ulan Coal Mine.

#womeninconstructionstrategy, #ISLP, #TradeReadiness

Terryn Casley, Alexis Sneesby, Taylor Mell, Lauren Rowe, Lauren Norris, Sonia Hayton, Holly Martin, Catherine Mottershead, Lydia Brown and Elizabeth Healey. Absent: Abby Dowler

The girls have a very exciting schedule over the next 6 weeks.

#### Week 1 Welding with Darren

Although very hot, the girls had a great experience learning about the machinery and tools they will be using, and safety in the workplace. The girls started making a flower from metal and will continue their project in Week 2, when they spend the day learning about engineering.

#### Weeks 3 to 6

Students will learn the following trades: Automotive, construction, electrical and civil construction. To conclude the TAFE component, students will participate in an Industry tour arranged by RIEP and local businesses. Dates for this are to be confirmed.

Please note that Friday 29 March is Good Friday. There will be no TAFE that day.

## Mudgee High lawn bowls - Round 2

Thursday 29 February saw Mudgee High's triples bowls team take a road trip to play in Nyngan. The winner of this game would advance to the western regional carnival in Orange, for a chance to make the state carnival.

The pressure was on early as a number of players trialled in difficult conditions for a chance to be a part of this successful outfit.

Trials done, the road trip was organised, promising over 6 hours in total stuck in a car with Charlie Gallen, Sam Rich and the one and only, Will Hayward.

Leaving in the early hours of the morning, the teams set off. They were eventually greeted in Nyngan with open arms and mid 30 degree heat before 10am!

The game got off to a shaky start with Mudgee dropping five shots on the first end. Clawing their way back from that deficit. The remainder of the game continued to be up and down with both teams bowling very well in 40 degree heat, putting on a great display.

In the end, the experienced Mudgee side proved a little too much and walked away with a 22-16 win after 14 ends.

The team will now play in the final 8 at the WSSA regional carnival in Orange on 22 March, for a chance to play in the state finals.

Congratulations to all three players and good luck in the next round.

Mr T. Dal Forno

The NSW Premier's Reading Challenge is now open and Mudgee High School is excited to be participating!

**Monday 26 February 2024:** Challenge opens

**Friday 23 August 2024:** Challenge closes for student entries

## **What is the NSW Premier's Reading Challenge?**

The PRC is a statewide Challenge that encourages students to develop a love of reading for leisure and pleasure in students and enables them to experience quality literature. It is not a competition, but a challenge to encourage each student to read, to read more, and to read more widely.

All students who complete the challenge, and have their reading record validated by the school's PRC coordinator, will receive a certificate signed by the Premier of NSW.

## **How many books do students need to read?**

Students in Years 3 to 10 are challenged to read 20 books independently. At least 10 of these books must be from the relevant Challenge booklists, and up to 10 books can be personal choice books.

If a book is from an approved PRC series, students can enter up to 5 books as Challenge books, and can read up to 10 other books from the same series as Personal Choice books. More information on the rules of the Challenge can be found on the [PRC website](#).

Books must be added to a student's online reading record by **Friday 23 August 2024** in order for their reading record to be validated and receive a certificate.

## **How do students log their reading?**

Students can access the PRC's [Student Experience site](#) using their DoE username and password, or can log into the site via the Student Portal. A video guide explaining how to use the Student Experience site can be found [here](#).

Students may also record their reading on the Personal Reading Log and submit it to the PRC Coordinator, Ms Tetley, by 23 August 2024. Ms Tetley will complete the reading log on the students' behalf.

## **How can students find books on the NSW PRC challenge lists?**

Ms Tetley can provide students with a printout of the list so that they can do a search in the School's Library to locate any copies. All of the relevant book lists for this year's competition have been set up on Google classroom.

Midwestern Regional Council – Mudgee Library also has a system organised for easy identification of books on the list. They have a PRC sticker on them and are identified in their online catalogue.

**Ms Tetley is the PRC Coordinator for Mudgee High School's entrants this year.**

## A quick guide for logging books:

- Log into the [Student experience site](#) using your DoE student username and password.
- Use the blue search bar to search for books you have read.

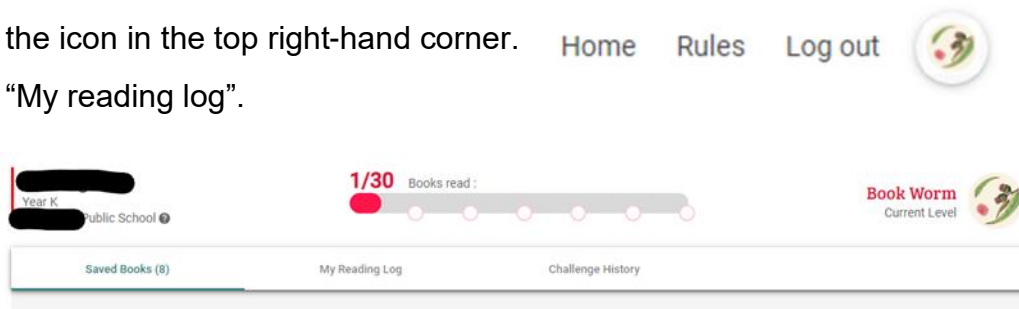

- If the title appears, click “Add to Reading Log” to add it as a PRC book.

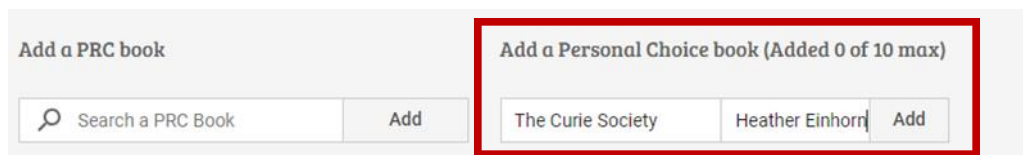

- If the title does not appear, you will need to enter it as a personal choice book.

## To enter a personal choice book:

- Click on the icon in the top right-hand corner.
- Click on “My reading log”.

- Fill in the book details under the “Add a Personal Choice book” field and click “add”.

If you have any issues with logging books, please speak to Ms Tetley.

Ms Tetley has set up a google classroom for the participants. There are lots of helpful areas on it.

The classroom code is: **76xurfw**.

Challenge opens  
Monday 26 February

Challenge closes  
for student entries  
Friday 23 August

ENTER IN OUR

# YEAR 12 CHOCOLATE RAFFLE

DRAWN  
WEDNESDAY,  
27 MARCH

**TICKETS= \$2  
OR 3 FOR \$5**

Enter to get your chance at  
winning a 4.5kg Toblerone  
chocolate valued at \$195

Tickets are available to buy at the  
front office during breaks. All proceeds  
will go towards Year 12 fundraising in  
support of local organisation Can Assist.

# NSW Education Parent App

The NSW Education Parent App has several new features making it even easier for parents and carers to stay in touch with the latest news, access learning resources, and get emergency updates from their child's school.

The new-look app is designed to streamline communication between schools and parents and carers with features such as push notifications to your phone so you never miss any important news or an upcoming event. Users will also now be able to receive emergency updates such as school closures, and access learning and enrolment resources.

The app was developed and is endorsed by the department, free for schools and parents and carers to use, and is synced with the School Website Service (SWS).

Key features of the app for parents and carers include:

- newsletters
- news
- feature carousel
- upcoming events and calendar notifications
- emergency notifications including school closures
- enrolment resources such as School Finder and Start a new enrolment application
- learning resources such as Everyday Maths and Parents and Carers Toolkit
- quick access to call or email the school
- ability to translate default language
- tailored news feed based on year group
- information from multiple schools in one place.

Download the app in the [Apple Store](#) or [Google Play](#).

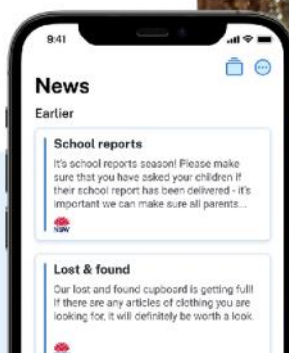

NSW Department of Education

## Never miss an important school update or event.

The **NSW Education Parent App** makes it easier than ever to stay up-to-date with the latest information from your child's school. Featuring latest news, newsletters, personalised feeds by year group, events calendar, push notifications, instant updates and alerts, advanced security and more.

# Want \$500 to help you with school costs?

Saver Plus is a financial education program for families and individuals on a tight budget to develop life-long savings habits.

To join Saver Plus, you must:

- ✓ Have a current Health Care or Pensioner Concession Card **AND** an eligible Centrelink payment\*
- ✓ Be studying yourself **OR** have a child in school (can be starting school next year)
- ✓ Have regular income from work (either yourself or your partner)\*
- ✓ Be 18+ years old

\*Many types of income and Centrelink payments are eligible

Here are some of the school costs the \$500 can be used for:

laptops & tablets

uniforms & shoes

books & supplies

sports fees & gear

lessons & activities

camps & excursion

For more information, please contact your local Saver Plus coordinator:
