Furniture Making Pathways

- **Training Package:** MSF Furnishing (version 4)
- **AQF VET qualification:** MSF20516 Certificate II in Furniture Making Pathways
- **Eligibility:** Nil
- **Exclusions:** Furniture Making

Course description

This course provides students with the opportunity to obtain national vocational qualifications for employment in the carpentry and joinery, shop-fitting, cabinetmaking and furnishing industries. Students will gain skills in planning and organising work, measuring and calculating, reading and interpreting plans, safe and environmentally sustainable work practices and the use of tools and equipment. Working in the furniture making industry involves selecting and preparing timber, using saws, chisels, planes, power tools and woodworking machines to make and assemble furniture. Making jigs, templates or prototypes for the production of furniture and repair damaged furniture and cabinets. Skills gained in this industry transfer to other occupations. Examples of occupations in the industry include cabinet maker, wood turner, furniture finisher, polisher and upholsterer, shop fitter and joiner.
